About Music Accord

Comprised of top classical music presenting organizations throughout the United States, Music Accord is a consortium that commission new works in the chamber music, instrumental recital and song genres. The Consortium's goal is to create a significant number of new works and to ensure presentation of these works in venues throughout this country and, if the occasion arises, internationally. Music Accord awards commissions principally to performers who are US citizens or reside in the US and assists these performers in selecting composers who are United States citizens or who reside in the United States.
